

Help Out on State Natural Areas

Maiden Rock Bluff Workday

Get outside and enjoy the view! Join us for our monthly workday at Maiden Rock. Maiden Rock is known for peregrine falcons, 400 foot bluffs, and rare plants. But there are concerns; invasive brush and red cedar are invading the remnant bluff prairie and oak savanna. Recent work has really changed this site. We will continue that work by clearing, treating, and burning invasive buckthorn and cedar trees. Some areas may have sloping terrain. You will be trained onsite.

Date: Every second Thursday of the month

Time: 9am-noon, or until you are able

Directions: From the intersection of State Highway 35 and County J in Stockholm, go north on J 0.73 miles, then northwest on County E 1 mile, then west on Long Lane 0.7 miles to the parking lot at the end of the road.
[Google map.](#)

What to wear: Dress for the weather and wear clothes that can get beat up- long pants, long shirt, boots. Embers may burn holes in your outer layer around piles.

What to bring: Leather gloves, drinking water, safety glasses (we will have extra), we will have equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Dean Edlin at dean.edlin@wisconsin.gov or 608-792-3054 by the day before so we know how much equipment to have on hand.

Cancellation and rescheduling plan: If the workday is cancelled due to weather conditions, a message will be left at 608-792-3054 two hours prior to the event.
